

Wendy Reedy, CPA, CGMA

Principal

wreedy@claytonmckervervey.com | +1.248.208.8860

Since 2010, Wendy has been a principal in the firm's assurance department. She has opportunity to share her more than 30 years of experience in interpreting and applying technical accounting and reporting regulations. Helping clients comply with the ever-increasing volume of complex domestic and international reporting requirements is her focus. She supports the audit and employee benefit plan auditing practices and the Small and Mid-Sized Entity and Foreign Direct Investment practices, serving as a technical reviewer and supporting the firm's assurance related compliance with quality requirements.
