Advisory & Assurance Team Lead

As the leader of the firm's Advisory & Assurance practice Julie works closely with owners, controllers and bookkeepers of companies with operations in the United States, as well as international companies in Europe and South America. A former controller, she is focused on the technical and compliance aspects of financial reporting which drives her work in assurance, including audits and reviews of traditional financial statements in various industries, and employee benefit plans. In addition, her clients look to her for other assurance services such as reviews of internal controls and performance reporting.
