Business and Tax Consulting

Tim manages a portfolio of closely held businesses, helping owners tackle the top financial, tax and operational issues impacting their bottom line. His expertise includes entity and organizational structure, US tax planning and compliance, and transactional services with a focus on tax efficient deal structuring, buy-sell side due diligence, Quality of Earnings studies and reorganizations. Tim also provides leadership to the firm's international practice, with an emphasis on helping Chinese companies establishing a presence in the US, and domestic companies expanding to China.
